

How many more to make 10?

9	6	7	5	4
8	8	7	8	9
9	4	5	6	7
4	9	4	5	6

#### How to Play

1. Spin the spinner.
2. Decide how many more to make 10.
3. Place your game marker on the number needed.
4. Take turns.
5. The winner is the player who gets 3 in a row.

Use a ten frame for additional support. Roll the die. Put that many counters on the ten frame. How many more to make 10? Cover that number on the game board.
